Pins -Dressmakers 25mm (500g)	12619-01
Metallic Yarn/ Creative Metallic Braid (<i>Gold or Silver</i>) 100mm	12617

How to make Poly Easter Eggs:

1. Push a Satay Stick into a Poly Egg and paint the egg with metallic paint and put aside to dry.
2. Decorate the painted egg with Metallic Yarn/braid and Sequins. Use dressmakers Pins to pin the Sequins in place around the egg. The Metallic Yarn may be glued into place around the egg and used for a hanger.
